Professional Experiences

Code Ninjas **Livingston, NJ**
Intern *May 2025 – Jul 2025*

- Developed coding and robotics curricula for students ages 5–15 with hands-on projects and age-appropriate challenges
- Created Canva marketing graphics to promote programs while using Excel to optimize room layouts and accommodations

Kumon Math and Reading Center **Livingston, NJ**
Math and English Tutor *Sep 2023 – Jul 2025*

- Tutored elementary and middle school students in math and reading, assigning and grading worksheets in-person & via Zoom
- Communicated with parents about student performance and collaborated with the owner to adjust learning plans as needed

Leadership & Extracurricular Activities

Hack4Impact **Champaign, IL**
Product Designer *Sep 2026 – Present*

- Designing an AI-powered dashboard for Build Change, an international nonprofit focused on disaster-resilient construction
- Creating UX for real-time model monitoring, image validation, and data visualization to support construction inspections
- Translating complex AI and computer-vision workflows into intuitive, transparent interfaces for nonprofit stakeholders

Design Innovation **Champaign, IL**
UX Designer *Sep 2025 – Present*

- Redesigned the X app by reducing tab clutter, reorganizing navigation bars, and developing new Trending and Search pages
- Redesigned the Apple Voice Memos app with AI transcripts, summaries, customizable folders, and built-in translation
- Conducted user research, including 10-12 interviews, journey mapping, and user personas, to identify features to add/remove
- Performed competitive analysis with 5-6 competitors to benchmark features and inform design decisions for better usability

Women in Computer Science **Champaign, IL**
Marketing Chair *Sep 2025 – Present*

- Create Figma wireframes for website features, including an interactive map of members' and alumni's internships and jobs
- Lead 6 committee members in developing informational posts and short-form videos to engage WCS's social media audience
- Promoted a 3-day hackathon for women and non-binary students through merchandise, flyers, and social media content

Psi Eta Mu **Champaign, IL**
PR Chair *Sep 2025 – Present*

- Lead PR efforts by creating social media content, designing merch, and promoting events to increase student engagement
- Presented a capstone app to address local food insecurity through a database of food pantry locations, menus, and wait times
- Co-led two Figma workshops on design fundamentals, components, Figma tools, and a mini design challenge for 50+ students

Students Consulting for Nonprofit Organizations **Champaign, IL**
Consultant *Sep 2025 – Dec 2025*

- Advised Development Alert, a nonprofit based in Uganda that targets poverty, water shortages, environmental degradation
- Researched and presented website improvement recommendations for Development Alert, including UI/UX Figma mockups
- Crafted client-facing deliverables translating complex insights into clear actions complete with white pages and slide decks
